

ACCESSING ST. LUKE HOME HEALTH CARE, INC.

St. Luke Home Health Care, Inc. works on a referral basis. Although referrals typically originate from physicians, local hospitals, doctor's clinics, board and care, skilled nursing facilities, patients' family and/or interested persons or agencies can refer to this home health agency. A nurse or representative of St. Luke Home Health Care, Inc. receives the referral information. The patient is signed up for the various services in accordance with the physician's order/s. A licensed professional from St. Luke Home Health Care, Inc. will be sent to conduct an initial evaluation of the patient within 24 to 48 hours unless specific care is required on the same day of the referral.

St. Luke
Home Health Care, Inc.

care that lasts a lifetime...

The Joint Commission Accredited

St. Luke Home Health Care, Inc. provides a variety of quality health care services to patients in the comfort of their own homes and in accordance with physician's orders.

SERVICES

We are a Medicare Certified and Joint Commission Accredited Home Health Agency. Our staff are dedicated towards providing services with compassion and professionalism driven by ethical, moral and human concerns for the dignity of patients and their families.

St. Luke Home Health Care

is proud to say that we have the most competent staff members the home health industry can offer. These passionate individuals went through rigorous training and interview process. All of our applicants go through an extensive screening process before we can employ them such as phone screen, one on one interview, criminal background check, complete comprehensive assessment tests and two complete supervisory references.

SKILLED NURSING

Our registered and licensed vocational nurses provide the prescribed treatment and work with you, your family and physician to achieve the results you and your doctor want.

Services include but are not limited to:

- Skilled Nursing Care
- Comprehensive patient evaluation
- Diabetic management/ Insulin therapy
- Education of patient/ family about disease process and management
- Intravenous Therapy
- Medication Management
- Nutritional guidance
- Total parenteral nutrition
- Wound Care/ Ostomy Care
- Wound Vacuum Therapy

REHABILITATION

Our physical, occupational and speech therapists provide treatment designed to help you regain your strength and mobility, master your activities of daily living and self-care, and restore your speech and communication abilities.

MEDICAL SOCIAL WORK SERVICES

Assist patients and their families to cope with the psychosocial impact of the illness, by providing referrals to community resources.

PERSONAL AND HOME CARE SERVICES

Assist with personal care, meal preparation, ambulation, and exercise under professional supervision.

NUTRITION COUNSELING

Services assist patients in complying with special diets prescribed by the physician.

WHO IS ELIGIBLE?

We serve patients who are under the care of their physician, are homebound and in need of intermittent skilled care. If you are unsure about whether you qualify, we encourage you to contact your physician or call our agency directly.

WHAT ARE THE METHODS OF PAYMENT?

Medicare and Private Insurance. We also can arrange for other methods of payment through insurance verification.
